

Volunteer Opportunities

We help families find stable and decent places to live. We build homes and run the ReStore - a used home furnishings and building supplies store. All with volunteer efforts and donations

Shop Assistant

Learn how to manage the till, talk to customers, handle inventory and warehouse duties. Help people find the treasures they're looking for and gain valuable customer service skills with a great group of fellow workers

Home Building

All training and safety equipment provided! Learn everything from framing to flooring to finishing! Must be 16 and older. On the construction site, you will have the hands-on ability to help build a Habitat home. A great way to try out construction, develop lifelong skills, and find out if trades is a career area you might be interested in

Social Media and Marketing

Use your computer or phone to help Habitat for Humanity out on social media! We are looking for skilled writers and social media posters who can create exciting content and newsletters. Gain first-hand marketing experience!
