

Dear Students and Parents,

We are pleased to let you know that our school cafeteria will be opening on Tuesday, Sept. 8th for students to get lunch. Our cafeteria will be opening with a limited menu and will follow all AHS guidelines for food preparation and distribution. In order to limit the number of students waiting in line at lunch time we are encouraging students to pre-order food by going to the cafeteria in the morning and placing their order. Students can order any day of the week and using the attached form, they can order for up to a week in advance. Any students that take time to pre-order in the morning will have their name entered into our weekly draw for free lunches or school clothing. Attached is our menu and pre-order form.
