**2.0 Student Leadership Report - Elena Bakker**

**Past:**

- We had a pyjama day two Fridays ago which went well, and a spirit day last Friday which was awesome!

**Current/Planning:**

- Each year we put up hearts around the school with everyone's names on them, but we can't have kids running around trying to find them. This year we're doing the same, only we'll put the hearts up on their period 1 doors and the kids with spares will be in the cafeteria
- We're also going to do a plastic bag collecting competition. Kids will bring bags into their period three classes, and the three classes with the most will win a prize.
- And we're going to advertise pink shirt day, which isn't really a leadership thing but we still want to make sure kids remember
- Finally we're brainstorming different ideas for an online Thurbers Got Talent

Parents wondering about the Leadership Facebook page: Elena found it!
