## RDPSD FIRE ACADEMY

Red Deer Public Schools, in partnership with Red Deer Emergency Services, will launch its new Fire Academy in the 2025/2026 school year. This specialized Academy, aimed at Grade 11 and 12 students from both LTCHS and HHHS, will begin in the second semester of the **2025/26 school year**.

The program combines classroom learning with real-world, hands-on firefighting training and experience. The Fire Academy is a unique opportunity for students to earn high school credits, while gaining accreditation and practical skills that will prepare them for a career in firefighting.

Applications will open in March 2025 and close on April 11, 2025. Interested students and families are encouraged to attend an open house at Fire Station #3 (100 Lees Street, Red Deer) on **March 11, 2025, from 6:30-7:30 p.m.**
