I am satisfied that I have been informed of my right to obtain as much information about this activity as I feel necessary. I understand that photographs could be taken by staff or volunteers, which may include the images of other participants throughout the course of this event. I understand, acknowledge, and voluntarily assume the risks and hazards inherent in the nature of this activity in which my child is a participant. My child has been informed that he/she is to abide by the rules and regulations, including directions and instructions, from the DRY Grad Committee Members and Volunteer Parent Supervisors as imposed on students while participating in this event. In the event that my child fails to abide by the rules and regulations imposed on the students while participating in this event, disciplinary action will require that he/she will not participate further in the event or activity and that I will be responsible to pick him/her up from the DRY Grad party, with the understanding that the party takes place at multiple sites within the City of Red Deer. I acknowledge that it is my responsibility to advise the committee of any medical or health concerns of my child which may affect his/her participation in this event. I consent that the committee, through its volunteers, may secure such medical advice and services as those individuals, in their sole discretion, may deem necessary for my child's health and safety, and that I shall be financially responsible for such advice and services. I understand the DRY Grad Committee and its Volunteers will monitor the level of risk and assess the potential for liability associated with this event, and reserve the right to cancel the event at any time. In the event of cancellation, this Committee will not provide compensation or reimbursement to parents/guardians, students, or guests, for any costs associated with this event. Based on my understanding, acknowledgements and consents as described herein, I agree that my child has my permission to participate in the activities associated with this event.
